Giving Hope & Saving Lives since 1984

As we continue to Give Hope and Save Lives in the name of Christ and for His glory your help is at the center of our work. Without **YOU** and our wonderful staff, we would not be able to spend our days welcoming young women and men into our comfortable waiting area, offering a kind smile, listening ears, and understanding hearts. This year we have helped 351 clients with pregnancy tests, ultrasounds, and counseling. Because of your donations and support we have helped women chose life for over 31 babies this year alone.

40 Years Of Life

God has blessed us immensely since last year's gala and we are proud to announce we are celebrating our **40th** year of saving lives! This means 40 years worth of children getting to feel their mother's touch, play baseball and dance, grow up with their siblings, graduate, fall in love, and have a family of their own. Your donations have supported us as we add to those 40 years of life! Charlotte and Jon, pictured here, are just two out of many clients who chose life for their child this year. Praise God for the safe arrival of their precious baby boy last month!

Michele has enjoyed the chance to write and perform songs alongside many well known artists such as Pink and Phil Keaggy, Touring with the Billy Graham Association and topping radio charts (yearly with her "I Hear Angels Calling" single) has given her a platform to share the power of the Gospel and its impact on her when she had an abortion after an unplanned pregnancy in 1973.

Michele's story is one of pain, redeemed and healed by Jesus. Join us on October 8th to hear her share her story of the hope that God brings in the midst of darkness. Michelle brings it home why Crisis Pregnancy Centers such as **Choices of the Heart** are so essential to our communities and the women we serve.
